Day 1 Afternoon: Private van pick up from train station, bus station, or airport. Transfer to the AC Ciudad Hotel**** for check in. After a quick briefing from your Spyns guide, change into your festival gear (waiting in your room), and then a quick van transfer to the city centre. From there, enjoy a private two-hour walking tour of the bull run. An experienced bull runner and historian will explain the bull run from start to finish. This will give potential bull runners much needed information to plan the next day's run. After your walking tour, enjoy a round of drinks in the city centre (first round on us). You can then shuttle back to the hotel or stay in town and enjoy the fiesta. For those whose trip includes the spectacle of a bullfight, you will be transferred from your hotel into town at 6.00pm. Overnight accommodation at the Hotel AC Ciudad in a twin or double room including breakfast.

Day 2: Today is a day of choices: run with the bulls or watch the exciting end of the bull run from Pamplona's stadium or from a private balcony. Everyone will join an early morning van transfer to town. From there, the bull runners will be walked to the entrance gate to join the exciting 8 a.m. run. Non-runners will walk with guide to the arena or balcony. The daily bull runs end in Pamplona's bull ring and you'll enjoy the show from the safety of your seat or private balcony. Both bull runners and bull run watchers will meet at our designated meeting point in Pamplona's main square after the bull run. You can then join the fiesta or return to your hotel and enjoy breakfast before checkout at 12.00 midday.
