

4-DAY "FIESTA"

"Thank you for the best time in 30 years that we've have had as far as a vacation. You did everything you promised...plus more!"

- Jim & Susan Amis

Day 1 (Walking Tour): We pick you up at the Pamplona train station, bus station, or airport. A guide will be on hand for check in and to provide a trip pack and briefing about your tour, the bull run, and fiesta. After that, it's all about the options. Our tours are like an incredible meal: we have a menu of activities so you can either join the group for a walking tour of Pamplona or go it alone. Explore Pamplona with your guide and a group of 8-12, or on your own. After the walkabout, head to our favorite tapas bar for drinks and a light snack.

Day 2 (Opening Ceremony): This is the day that Pamplona has prepared for all year, the opening ceremony (called the "Chupinaxo"). Part mardi gras, part Times Square, the July 6th opening ceremony is the must-see event of the San Fermin festival. Enjoy the "Chupinaxo" and flying sangria from Pamplona's constitutional square, or from the safety of our private balcony located on a side street.

Day 3 (Bull Run): This is the day that Pamplona has prepared for all year, the first 'encierro' or bull run. Today you can either run or watch the run. Your choice. Transfer to our meeting point and then walk in with your guide to an exclusive balcony along the bull run. Or be walked into the bull run's entrance gate. Watch the 8 a.m. bull run as 12 bulls charge along a route that hasn't changed in 700 years. In the evening, watch the evening's fireworks from a private balcony (with bar!).

Day 4 (Arena/Bull Run): Rise early to join a morning bull run or to watch your friends/family finish the run in Pamplona's arena. A guide will meet you in front of the Hotel Tres Reyes before walking to the entrance gate. After your exhilarating run, meet the group back in Pamplona's main square for shuttle you back to your hotel for breakfast. You'll also get a free photo of you running with the bulls. The perfect holiday.
