

4-DAY "JUST THE FESTIVAL"

"Thank you for the best week in 30 years that we've have had as far as a vacation. You did everything you promised...plus more!"

- Jim & Susan Amis

Day 1: We pick you up at the Pamplona train station, bus station, or airport. A guide will be on hand for check in and to provide a trip pack and briefing about your tour, the bull run, and fiesta. After that, it's all about the options. Our tours are like an incredible meal: we have a menu of activities so you can either join the group for a walking tour of Pamplona or go it alone. Explore Pamplona with your guide and a group of 8-12, or on your own. After the walkabout, head to our favorite tapas bar for drinks and a light snack.

Day 2: This is the day that Pamplona has prepared for all year, the encierro or bull run. Watch this dangerous tradition from the safety of our private balcony. After the rush, it's off to the Nuevo Casino for a VIP breakfast. This is Pamplona's oldest and most exclusive club and we have a private gourmet breakfast after each bull run. Enjoy a drink and traditional Basque dancing or simply watch the crowds below in Pamplona's Plaza del Castillo.

Day 3: Rise early for bus transfer to join a morning bull run. A guide will meet you in front of the Hotel Tres Reyes before walking to the entrance gate. After your exhilarating run, we shuttle you back to your hotel for breakfast. Enjoy a full day at the festival before van transfer to the evening's bullfights (starting at 7:00 p.m.) followed by gourmet dinner at the *Baluarte* restaurant overlooking the citadel and evening fireworks.

Day 4: Enjoy a final bit of shopping or run with the bulls one last time before breakfast, check out, and van transfer to the airport or train station for departure.

Our classic Pamplona adventure. Spend four days exploring the festival with no less than three chances to run with the bulls. By day, experience Pamplona's endless concerts, tapas bars, processions and parades. Had your fill? Hop in the Spyns shuttle van or simply stroll back and enjoy a siesta in the air-conditioned comfort of your hotel.

Traveling with Spyns means letting our guides manage all the little details like a red sash and scarf waiting in your hotel room. We pick you up at Pamplona's train station, airport, or bus station, get you settled at the hotel, and then it's off to the fiesta. The perfect holiday. But don't take our word for it.
