

## SINGLES TOURS 4-DAY (July 5-8)

"Thank you for the best time in 30 years that I've have had as far as a vacation. You did everything you promised...plus more!"  
- Jim Amis

**Day 1 (Walking Tour):** We pick you up at the Pamplona train station, bus station, or airport. A guide will be on hand for check in and to provide a trip pack and briefing about your tour, the bull run, and fiesta. After that, it's all about the options. Our tours are like an incredible meal: we have a menu of activities so you can either join the group for a walking tour of Pamplona or go it alone. During your walking tour, learn about the bull run from an expert bull runner, then it's straight to our favorite tapas bar for a singles mixer with drinks & tapas.

**Day 2 (Opening Ceremony):** This is the day that Pamplona has prepared for all year, the opening ceremony (called the "Chupinaxo"). Part mardi gras, part Times Square, the July 6th opening ceremony is the must-see event of the San Fermin festival. Enjoy the "Chupinaxo" and flying sangria from the safety of our private balcony located next to constitutional square. In the evening, join the group on a VIP terrace to watch the spectacular fireworks.

**Day 3 (Bull Run):** Today is the first 'encierro' or bull run! Rise early for transfer to our meeting point and then walk in with your guide to an exclusive balcony along the bull run. Watch the 8 a.m. bull run as 12 bulls charge along a route that hasn't changed in 700 years.

**Day 4 (Arena/Bull Run):** Rise early for bus transfer to run with the bulls or watch your friends run in Pamplona's arena. A guide will walk you to the bull run or arena with meeting point after the run in Pamplona's main square.

Traveling to Pamplona solo? No problem. Stay in a private room or share with a roommate of your choosing. Our classic Pamplona adventure. Spend four days exploring the festival with no less than two chances to run with the bulls or watch the bull run. By day, experience Pamplona's endless concerts, tapas bars, processions and parades. Had your fill? Hop in the Spyns shuttle van or simply stroll back and enjoy a siesta in the air-conditioned comfort of your hotel. Traveling with Spyns means letting our guides manage all the little details like a red sash and scarf waiting in your hotel room. We pick you up at Pamplona's train station, airport, or bus station, get you settled at the hotel, and then it's off to the fiesta. The perfect holiday. But don't take our word for it.
